- ② Microphone charging port
- ③ Microphone indicator
- ④ Microphone clip
- ⑤ Switch key
- ⑥ Interface to connect phone
- ⑦ Receiver indicator
- ⑧ Type-C port of receiver

Introductions for Use

Step 1: Connect the receiver to phone with interface.

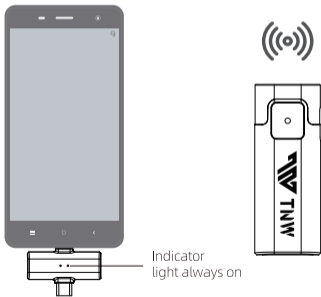

Note: OPPO/vivo/IQOO/realme brand mobile phones can be used normally only when they go to the settings (search "OTG" - turn on OTG power supply)

Step 2: Press switch key of microphone, the indicator light turns green, and then power is turned on.

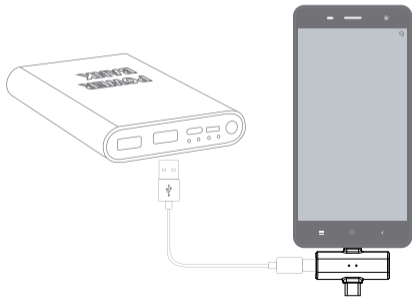

Switch key

Step 3: The indicator light of receiver keeps always on, then open the phone camera, live App or other Apps , and then to use the microphone to receive sound.

Special Note:

For the use of Ⓜ port : there is no battery in receiver , and no need to recharge during live. If the phone is low power during live, it can be recharged directly through this port.
